

A modern, multi-story mountain refuge with a dark, metallic, faceted facade and a steep, dark roof. The building is situated on a rocky outcrop. In the background, snow-capped mountain peaks are visible under a clear sky. A wooden bench is located on a small platform in front of the building.

Refugio Monte Rosa

 en los Alpes suizos es casi 100% autosuficiente en energía renovable; las aguas residuales se reciclan.

Fábrica de Cultura

 en Barranquilla, una escuela de arte que se piensa en quienes lo van a usar y que se autoabastece con agua.
